Subject: Apologies, further request for material for the SETAC manuscript

Helen,

Sorry Helen, I understand you must be busy, but I need to bother you again regarding the SETAC manuscript.

We've been in touch with SETAC and Wiley, the publisher in regards to tables 8-1, 8-2 and 8-3.

We appreciate you revising and resending these tables already, but now have to ask if you would be willing to provide the source files to these figures. Wiley prefers to recreate the figures in their process/format as opposed to working with an embedded figure.

If this is possible to provide us with the source file please let me know. We greatly appreciate it.

Thanks in advance,
Tom M
